

Gymnasium Bad Nenndorf

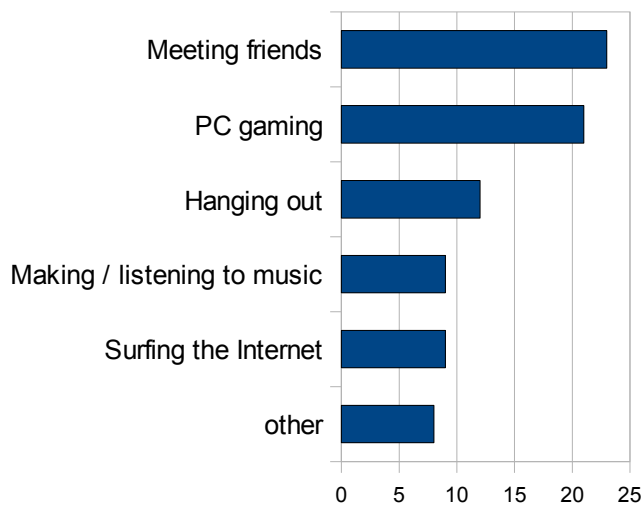

Results of the survey on everyday life

About 100 pupils from year 8 and 9 were asked in Germany in early 2010.

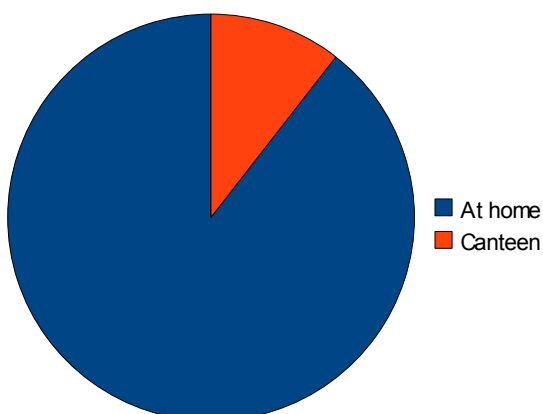

1 What sports do you do in your free time?

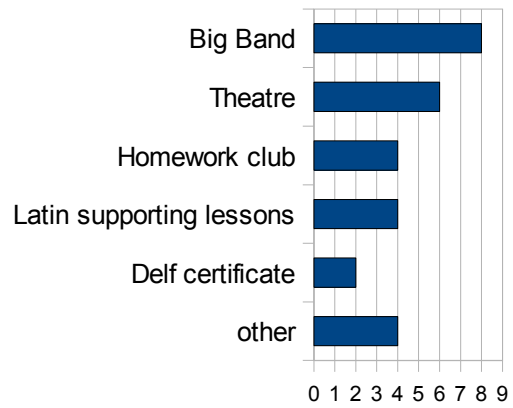

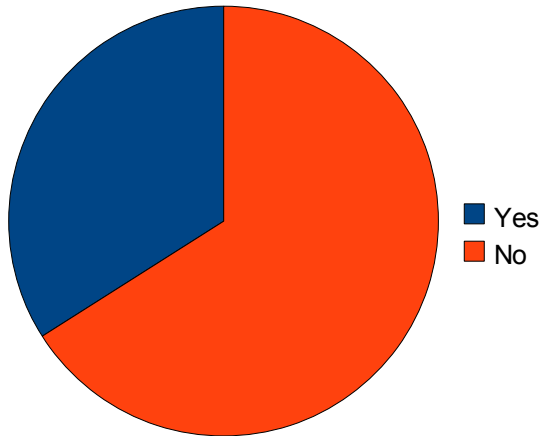

2 What is your favourite free time activity?

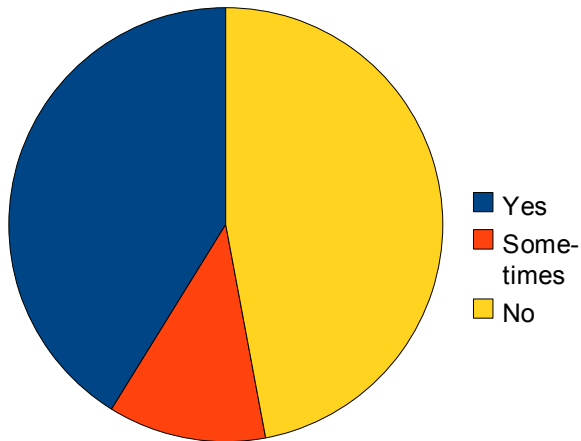

3 Do you eat in the school canteen or at home?

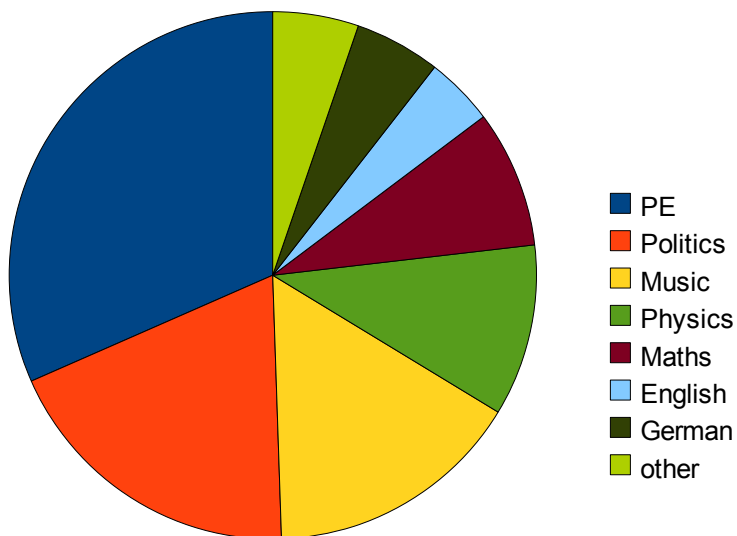

4 Do you do any extra curricular activities at school? Which ones?

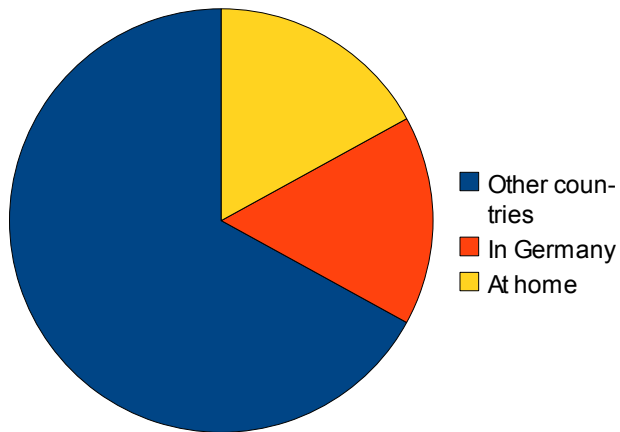

5 Do you like to go to school?

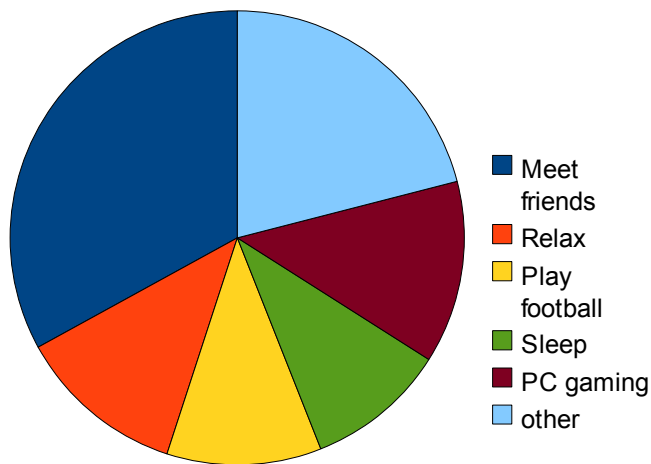

6 What are your favourite subjects?

7 Where do you spend your holidays?

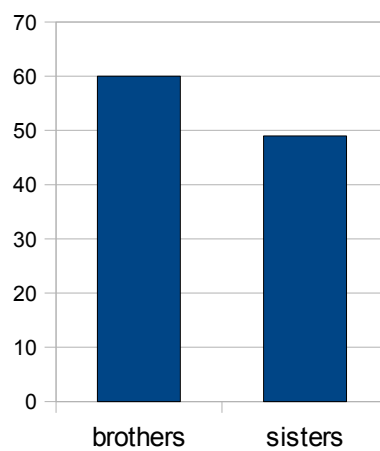

8 What do you like to do at the weekend?

9 How many brothers and sisters do you have?

100 pupils had ...

average: 1.1 siblings
